

Apple Heaven

We have a record 1500 bottles of delicious 'Apple Heaven' to sell from this year's harvest at only £2.50 per bottle. The proceeds will go to Dr Bright's 'Feed the Hungry' project in Sierra Leone, where 100 children, many war orphans, are given a hot meal daily. The juice is organic and has been pasteurised so it has a shelf-life of 2 years. The bottles make perfect Christmas gifts, and you can order as many as you like.

Orders of 2 or 4 bottles will be distributed to the girls directly but for ease of transport, orders of 6 or more bottles will be packed into named boxes and left in the lobby near the library for collection.
